

The banner features a scenic mountain landscape with a prominent peak on the left and a range of blue-toned mountains in the background. The foreground is dominated by a dark blue area with abstract, overlapping geometric shapes in lighter shades of blue. The text is overlaid on this design.

SPRING BREAK

2024

Mission and Vision

Vision:

Learning how to serve with the mindset of The Savior rather than a savior mindset.

Mission:

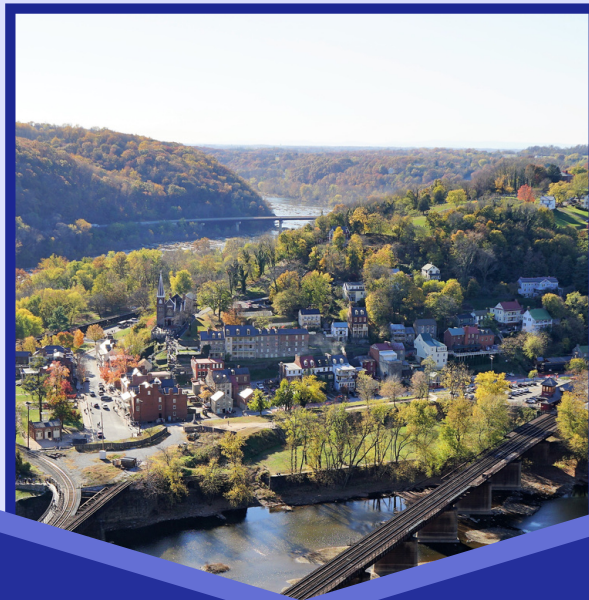

Spring Break Mission Trips provide opportunities for our 9th-12th grade students to grow in spiritual maturity, ministry skills, and in vision for what it means to be witnesses to Jerusalem, Judea, Samaria, and the ends of the Earth.

- Acts 1:8
